

## **The Trouble With Elvis**

Written by Graeme Lockhart

deified soul, still flesh on the bone,  
who did virtue no harm ,ecce homo,  
without the sounds that you make life would be a mistake,  
it's all in the eyes they do not lie,  
it's all in the eyes it's all in the eyes,

passion and pride, it's what you carry inside,  
life elevates , heavy weather aside,

ugliness reigns, politics slides,  
the fashion financial always leaves us outside,  
without the sounds that you make, life would be a mistake,  
it's all in the eyes they do not lie,  
it's all in the eyes it's all in the eyes,

passion and pride , it's what you carry inside,  
life elevates, heavy weather aside,
